#### THE EXECUTIVE COMMITTEE OF THE GENERAL SYNOD

At the time of the merger of the Evangelical Synod of North America and the Reformed Church in the United States, at Cleveland in June, 1934, the united Church simply elected officers and three committees and adjourned with the prayer and expectation that the problems would be worked out as the months and years passed. The General Synod chose, as one of the three committees, an Executive Committee to unify the work of the Church and, in the meantime, to carry on as much as possible of it unitedly. Two years passed and the General Synod met again, this time at Fort Wayne, Indiana, June 10-17, 1936. The Executive Committee made its report and the General Synod approved, with practically no change, all that had been done by the Executive Committee. The General Synod elected another Executive Committee to serve until it meets again, at Columbus, Ohio, in 1938. The Executive Committee had cooperated in a number of matters with the Committee on Constitution and Charters which submitted its draft for the government of the Church. It is probably due to the fact that the Executive Committee had done its work in such complete accord with the wishes of both groups of the united Church that the report of the Judicial Committee consisted of a single sentence—that there had arisen no dispute that needed adjudication.

The General Synod of 1934 had referred a number of matters to the Executive Committee. Among these were a Hymnal and a Book of Worship for the united Church. The Executive Committee chose two committees to prepare a Hymnal and a Book of Worship. They are making rapid progress in their work and reported to the General Synod. Another matter was the fixing of the date for the meeting of the General Synod. The Committee has prepared new statistical forms for the united Church and has been authorized to make further modifications.

One vital task of the Executive Committee is to "expedite the correlation and unification of the hitherto separate agencies and activities." The Executive Committee has accordingly kept in close touch with all of the Boards and agencies. It was evident at the meeting of the General Synod that the Boards and agencies are in advance of the Church as a whole and are ready to unite but they are somewhat restrained until the Constitution is adopted and charters revised or new ones secured.

A great step forward has been taken through the formation of the Committee on Correlation and Promotion, which consists of members of the Executive Committee and of representatives of the Boards and agencies of both groups. This Committee has the important task of correlating all of the denominational work entrusted to Boards, commissions, etc., in both groups. It works through the Kingdom Service Committees of the Districts and of the Classes. The second Kingdom Service Conference, of the chairmen of these committees of Districts and Classes with the Committee on Correlation and Promotion and the Executive Committee as a whole, was held at Pittsburgh, September 23-24, 1936. The committee is cooperating with the promotional forces in both groups in the fall of 1936 in the securing of the quotas and apportionments in full, in paying the indebtedness of the Boards and agencies of both groups, in using tithing plans for a number of Sundays for this purpose, and also in making the Kingdom Roll Call to underwrite the Budgets and Apportionments for 1937,

The Executive Committee feels that the promotion of Christian Stewardship is one of the most important features of its work and has a Committee on Stewardship, made up of its own members and of representatives of the men's and women's organizations and of the religious education group.

The Executive Committee has been giving publicity to denominational matters through the religious and secular press and is in touch with some newspaper in every community where we have a congregation.

William E. Lampe, Secretary.

#### THE COMMITTEE ON CONSTITUTION AND CHARTERS

It was an act of faith that the former two Churches united without a previously adopted Constitution for our government. The Committee on Constitution and Charters, chosen by the General Synod in 1934, went to work immediately. It agreed upon certain principles and assigned parts of its work to five different committees. The Committee as a whole frequently reviewed the reports of these committees, revising, and transferring assignments from one to the other. At the end of November, 1935, it completed its first draft of constitution and by-laws and submitted it for criticisms and suggestions, under the title "A Constitution for the Evangelical and Reformed Church." Copies were sent to all ministers and congregations in January, 1936, and to all of the Districts and Classes. This document was studied by many groups and congregations and then at the official meetings of the Classes and Districts. A very large number of criticisms and suggestions were received by the Committee. All were carefully read and indexed. Then the committees and the Committee as a whole gave all of them most careful consideration. After some days of most thorough study and revision, the draft was reprinted and submitted as "The Report of the Committee on Constitution and Charter" to the

General Synod, at its meeting in June. The General Synod spent three and one-half days considering the document and making a number of changes. It then adopted the Constitution and By-Laws by separate votes that were almost unanimous in each instance and has submitted the document to the Districts and Classes for their approval.

The Constitution is based upon the division of the Church into approximately thirty Synods. The General Synod adopted the general plan of division as submitted by the Committee on Constitution and Charters and instructed it to make necessary adjustments, in conference with the respective Districts and Classes, in order to expedite their union. It instructed the Committee to consider the merits of the Area plan, which had been included in the earlier draft, and to make report concerning it at the next meeting of the General Synod.

Putting the Constitution into full operation involves a charter for the Church, and the preparation or modification of charters of judicatories, Boards, institutions and agencies. The Committee on Constitution and Charters will give earnest attention to these charters as one of its primary tasks during the next two years.

William E. Lampe, Secretary.

#### **NATIONAL MISSIONS**

THE BOARD FOR HOME MISSIFNS-"E" GROUP

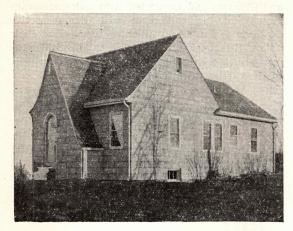

Home Missions extends the ministry of the Christian Church beyond the reach of established churches and church agencies into frontier areas and underprivileged communities. It strives to keep alive in all portions of the Church a vital and intelligent sense of missionary obligation. America still has many millions of people that are not counted on the roster of any religious organizations, and many areas of life in which the Christian way has not been discovered.

The funds available allowed the Board to support from 108 to 125 Churches and preaching places. Almost each month, however, applications for support are received and adjustments made for some supported Church to continue without the aid of the Board. On August 1, 1936, there were

108 congregations on the roll, served by 89 pastors. The 12,053 Church members and 11,272 Sunday School members contributed \$155,665.14 toward their current expenses, and \$15,024.08 toward benevolences during 1935.

During 1936 the following Churches became self-supporting: Community Evangelical Church, Blue Island, Ill., Rev. Emil Helm; St. John's Church, Council Bluffs, Iowa, Rev. E. H. Berger; First Evangelical, Mt. Troy, Pittsburgh, Pa., Rev. Chas. A. Ittel; Zion Church, Detroit, Mich. (merged with St. Mark's), Rev. Theo. Gabler; Trinity, St. Paul and St. John's Churches in and near Jasper, Ind., Rev. Walter Rasche.

In addition to the above the Board carries on special projects in the Ozark highlands of Missouri. The missionaries in charge are Revs. Vincent W. Bucher and Z. F. Yount. Rev. Paul A. Wobus is director of the project. The Evangelical Women's Union is contributing about \$2,700.00 annually for this work. At Biloxi, Miss., the work among the fishermen and cannery employees is centered at a chapel on Oak Street and a clinic and chapel on Charter St. The Board cooperates with the congregations at Buffalo, Baltimore and St. Louis in maintaining city missionaries. At St. Louis the work is under the supervision of the St. Louis Evangelical Federation. The missionary here is the Rev. J. W. Varwig, who is assisted by the Rev. Harold P. Schultz and Mr. E. Eckhold. In Balti-

more, the harbor missionary, Rev. F. Giese, gives considerable time to city mission work, especially in the Marine Hospital. At Madeline Island, Wis., the Rev. L. Suedmeyer is now housed in a greatly needed new parsonage provided by the Evangelical Women's Union, whose stimulation and directed missionary study, as well as their gathering of missionary contributions has meant very much to the home missions cause.

During the past year the Board was deprived by death of two of its most able and experienced members: Mr. Wm. D. Bobsin of Chicago, who was called to his reward on Oct. 16, 1935, and the Rev. G. A. Schmidt of Denver, who passed into the larger life on April 11, 1936. The memory of their long and conspicuous services will be gratefully cherished in the years to come.

#### THE CHURCH EXTENSION FUND

The Church Extension Fund is the handmaiden of home mission work. It is administered under a separate and autonomous Board, incorporated under the laws of the state of Missouri. Originally all requests for loans were for the erection of new buildings. During the past years, however, most requests have come from Churches that are in danger of losing their property, especially mission Churches and smaller congregations. If the necessary funds were available, the Board could be of great help to Churches in re-financing old loans, thereby enabling many congregations to do more in regard to the Larger Kingdom Service.

The total number of loans now outstanding is 165; average per loan, \$2,700.00. Of these loans, 46% are in good standing; 5% are in arrears one year; 5% two years; 8% three years; 8% four years; 20% five to nine years; 2% ten years; and 6% over ten years.

#### THE BOARD OF HOME MISSIONS-"R" GROUP

One hundred and ten years ago the Board of Home Missions was organized as "The American Missionary Society of the German Reformed Church." In 1832, the name was changed to "The Board of Missions," and in 1863, with the organization of the General Synod, the present name "The Board of Home Missions" was adopted. During these years this Board has aided more than 900 congregations, many of which it started, and many of whose buildings it helped to erect. It has raised the sum of \$10,000,000, all of which has been expended in the founding and fostering of mission Churches in the home land. It has been the pioneer in every aggressive movement in the Church. Through its efforts other important interests in the Church were made possible.

The Board is at present aiding in the support of 160 mission congregations, which are widely scattered over our country. It ministers to people representing six different nationalities. The work among the Indians at Black River Falls and in the Indian School at Neillsville, Wis., among the Japanese in California, among the Czechs in Cedar Rapids, and among the Hungarians in many of our industrial centers represents the far reaching contacts which the Board is making among different groups in America. It also carries forward an extensive work among German-speaking peoples

in the Northwest and in Canada. The Board seeks to touch life in the big cities and in rural areas, and constantly endeavors through the preaching of the Gospel, to Christianize all our human relationships, so that America may be truly a Christian nation. During its long history, the Board has accumulated a large amount of money for building churches for mission congregations. Fifty years ago this phase of the work assumed definite shape, and by means of it hundreds of our church building were made possible.

To carry forward its extensive program, the Board

requires the annual sum of \$350,000. The bulk of this amount goes to the missionaries in the form of salaries. One-tenth of the ministers of our Church receive a part of their salary through the Board of Home Missions. One tenth of our ministers find employment through the Board of Home Missions. These missions have a membership of 13,000 and a Sunday School enrollment of 12,000. They turn back into the benevolent work of the Church \$21,000 a year, and churches now self-supporting, but to whom the Board has loaned money, raise every year for benevolence an additional \$20,000; thus \$41,000 of benevolent money is released because the Board of Home Missions makes this possible.

A work of such far reaching significance de-

Indian Congregation at Black River Falls, Wisconsin

serves the support and cooperation of each and all. There are members of the Church who should remember this work in their wills; others may wish to invest money with the Board in annuities; others will want to give Church-building Funds as memorials; while all our people will contribute regularly and liberally to this cause.

The work of Home Missions is as greatly needed today as ever. If America is to be Christianized, and the forces of iniquity to be subdued, it is necessary that a far more aggressive effort be put forth by the Church not only to save individual men and women, but also all the areas of our complex social life. Home Missions will lead the way if it is properly supported by your prayers and your money.

#### **INTERNATIONAL MISSIONS**

One of the most important and significant actions of the General Synod of the Evangelical and Reformed Church was to change "Foreign Missions" to "International Missions." This is a bigger, better, more brotherly, more Christ-like term.

#### India

The missionary activities in the India field may be summarized under the four categories of evangelism, Christian education, the healing ministry and Christian philanthropy.

The Evangelistic Work of the Mission

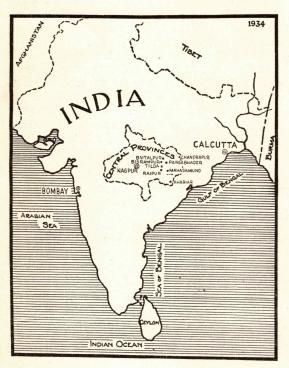

All of our 33 missionaries in India are evangelists, even though they may be listed as medical or educational missionaries. The evangelistic emphasis is strong in each branch of missionary work. Engaged in purely evangelistic work are the 104 evangelists, 16 Biblewomen, and 6 colporteurs.

Though they still sow the seed broadcast our evangelists are concentrating primarily on those groups, castes and tribes which have shown most interest in the Christian message. At this time the Gara people present the outstanding challenge and furnish the largest number of converts. They are found principally in the Chandrapur-Charpali, the Khariar and eastern Mahasamund fields. A very hopeful outlook is also found among the Mahars and only slightly less so among the Satnamis. At no time in our missionary history was the outlook so promising and the possibility of large accessions so great as in 1936-1937.

The Christians of our area are gathered together into 13 congregations, two of which are independent, with a third about to become independent. These congregations, together with the pastors and missionaries, form the India Mission District of the Evangelical and Reformed Church. The total membership according to the last census is 5,694, among whom are 3,454 adult members.

#### Educational

Educational work begins in the 45 primary schools with an enrolment of 3,379 boys and girls

and is then continued in 4 English-Hindi Middle schools with an enrolment of 638 pupils, and culminates in a high school with 148 pupils, a theological seminary with 13 students, and a homemaking and women's Bible training school with an enrolment of 31.

#### Medical Work

The medical work of the Mission is headed up in the splendid mission hospital at Tilda with its modern equipment, including x-ray and electric lights, and in the Leper Hospital at Chandkuri, which is looked upon by the government as the principal leper hospital of the Central Provinces. Supplementing the work of these two principal hospitals there are six general dispensaries in strategic centers and a number of clinics for lepers. The medical staff consists of three American doctors and three American nurses who are assisted by 7 Indian doctors and a large staff of Indian nurses and assistants. In 1935 the new cases received in our hospitals and dispensaries was 16,729, with 114,620 attendances and 1,550 operations.

#### Philanthropy

Christian philanthropy has a very important place in missionary work in backward countries such as India. Our own Mission contains a number of orphanages with 132 orphans and 217 boarders. It also supports a home for the blind, another for widows and other unfortunates.

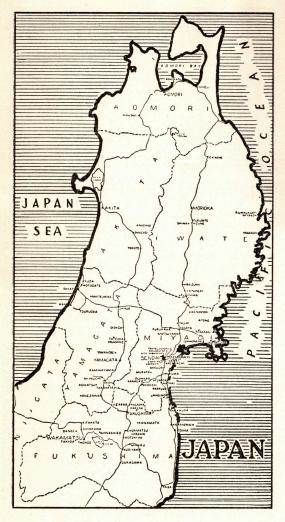

#### Mission Stations

The above mentioned activities are carried on in the following eight mission stations, with the year of their founding added: Bisrampur (1868), Raipur (1880), Baitalpur-Chandkuri (1886, 1899), Parsabhader (1894), Mahasamund (1907), Chandrapur (1932), Khariar (1923), and Tilda (1929).

#### JAPAN

The first missionaries of the Japan Mission settled in Tokyo from which they worked north. While there are many prosperous and prominent churches in and around Tokyo, the greater portion of the activities of the Japan Mission is located in the six northern states of the Empire, known as the Tohoku, and is centered in the city of Sendai, the capital of Miyagi province.

The year 1937 marks the beginning of a new era in our missionary work in Japan. Last year was a year of 50th anniversaries. North Japan

College celebrated its 50th anniversary in the spring and Miyagi College observed a similar anniversary in the fall. Then, too, it was just 50 years ago last year that the Japan Mission united with the Church of Christ in Japan, a union of all Presbyterian and Reformed missionary work in Japan. The Japan Mission, therefore, finds its foundation work well done and may now turn its attention and its effort to rearing on that foundation the superstructure of a self-supporting, self-propagating, self-organizing Japanese Church.

North Japan College, with its over 1,000 students and nearly 100 instructors, enters a new

day. At the 50th anniversary celebration last year, Dr. D. B. Schneder retired as president and in his place Dr. T. Demura was inaugurated as the first Japanese president. Dr. Demura is a graduate of the Academy, College and Seminary of North Japan College and is being enthusiastically received by the student alumni and friends of the College. The outstanding need of North Japan College is an adequate endowment to assure its permanent influence for the future.

Miyagi College, with its 400 students, is still the leading educational institution for girls north of Tokyo. It supplies the women leaders for the Church of Christ in Japan in the Tohoku. It has just received government permission for a five-year high school, making it the equal of the great girls' high schools of the Tokyo area. Its urgent need is adequate buildings. If any woman or group of women of the Evangelical and Reformed Church desires to make an outstanding contribution to the Christian womanhood of Japan, a new high school building for Miyagi College would be the gift supreme.

#### CHINA

The China Mission is located in the province of Hunan in the very heart of China. It is a strategic but difficult situation for a mission field.

While the China Mission has had serious trials and hardships for several years on account of the activities of red communists, the past year has been comparatively quiet and the work of the Mission has gone forward unmolested. With the increasing stability of government there has been an increasing growth of cordiality and cooperation among the people of Hunan.

The China Mission is affiliated with the Church of Christ in China, a union of some sixteen missions and denominations. As an example of Christian unity and cooperation, far-sighted Christian statesmanship, effective organization and competent leadership the Church of Christ in China is unexcelled by any other Christian church in the world. The Evangelistic missionaries and the Chinese pastors and evangelists have carried on their work under circumstances that would test the courage of the strongest. It is significant that one of the most encouraging reports of the growth of the Church during the past year come from the Shenchow field of the China Mission, the most difficult and dangerous spot in the whole Church.

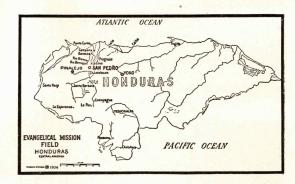

The educational institutions of the China Mission continue to grow and prosper, last year being the best in years for the 2 boys' schools, Huping at Yochow and East View at Shenchow, as well as the 2 girls' schools, Ziemer Memorial at Yochow and Chenteh at Shenchow. The good-will and cooperation of the government educational authorities is most heartening. Huping is making a very favorable impression as an Agricultural Normal Training school for teacher-farmer-preachers.

Our 2 hospitals, Hoy Memorial at Yochow and Abounding Grace at Shenchow, are emphasizing preventive medicine these days and in this they are having the hearty cooperation of the health authorities of the province.

#### HONDURAS

The Honduras field is found in the western half of the north coast area of that country. The people of Honduras know Christ as a name, but few have surrendered their lives to Him as Saviour and Lord or know Him as the ever-present Christ who dwells not in statues and crucifixes but with all those who worship Him in spirit and truth. To make this Christ known is a tremendous task and one that is taxing the resources of the Church to the utmost.

The 12 missionaries in the Honduras field are distributed among the 3 main stations which, with their year of founding, are the following: San

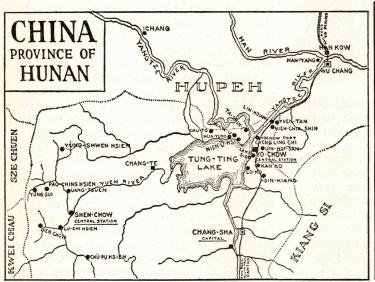

Pedro Sula (1921), Yoro (1934), and Pinalejo (1934).

The principal activities, like those in the India field, may be said to be evangelism, Christian education, medical work and philanthropic activities. The congregation in San Pedro Sula is organized, though it does not yet have a Honduran pastor. The towns of Chamelecon, La Lima and Puerto Cortez have growing Christian groups about whom others are gathering in Christian worship.

#### IRAQ

The two evangelistic missionaries of the Evangelical and Reformed Church in the United Mission in Mesopotamia are located in the city of Kirkuk and report increased interest in the word of God as they tour the plains and villages in their new automobile "Bible Wagon."

#### HOME BASE

During the past year a number of pieces of literature have been issued which are recommended to the Church for careful study. Among these are the "Annual Report" of the "E" Board, which is issued in reprinted form and may be had from the St. Louis office, the report of the executive secretary's visit to India entitled, "Rethinking Our Missionary Task in India," and "We Are Fifteen," a new booklet on Honduras in which the work in that field is carried up to the present day.

According to the resolution of the General Synod in Fort Wayne, the period from January 6 to February 15 each year is foreign mission emphasis time. All Churches are asked to set aside a Sunday during this period for a careful study and special emphasis of the foreign mission enterprise of the Church.

During the year 1936-37 the Boards of Foreign Missions of the two branches of the Church will merge more and more closely in order to be prepared to carry on as one Board as soon as the new constitution of the Church is adopted and put in force

There has recently been issued a narrative of the missionary enterprise of the Reformed Church entitled, "The End of the Beginning," by the Secretary of the Board of Foreign Missions of the "R" group. This book sets forth the missionary history and accomplishments of the foreign missionary work of the Reformed Church with a view to acquainting the united Church of the present situation in our Missions in Japan, China and Mesopotamia. It should be read and studied by every member of both the Evangelical and Reformed groups of the united Church.

#### CHRISTIAN EDUCATION

At this writing the large terminal of the Philadelphia Traction Company is in the process of being remodelled and enlarged. Sections of the old structure are being torn down, and new sections built. In the midst of it all the thousands of passengers come and go daily and "business is conducted as usual."

This has been the history of the Boards of Religious Education, Christian Education and Evangelical League during the past year. Old features of the work are giving way to new and better ones, and business goes on as usual.

The new Constitution stipulates the functions and form of organization of the new Board of Christian Education and Publication, hence the Boards cannot actually be merged until the Constitution is adopted. But at Fort Wayne, by special resolution General Synod authorized these three Boards "to proceed immediately to unify their work by the reallocation of their staff responsibilities and the addition of such joint work as the respective incomes of these Boards when jointly pooled makes possible." Subsequent to this action these Boards have agreed upon a statement of function, and a form of organization which will serve both for the new Board as well as for the interim period—both function and organization being in

harmony with the proposed Constitution. These Boards have furthermore agreed upon a united staff, a divided headquarters, and September 1936 as the time for their united work to begin. Editorial offices are being located in St. Louis—Administrative offices in Philadelphia. The joint Executive Committees will meet alternately in the two cities or at some central place.

Mr. A. R. Keppel, formerly Executive Secretary of the Board of Religious Education, has been chosen as the Executive Secretary of the new Board of Christian Education and Publication. Rev. T. C. Braun, formerly Executive Secretary of the Board of Religious Education, becomes the Director of Leadership Training. Rev. Fred D. Wentzel, formerly Director of Youth Work and Leadership Training, becomes the Director of Youth Work. Their offices will be located in Philadelphia.

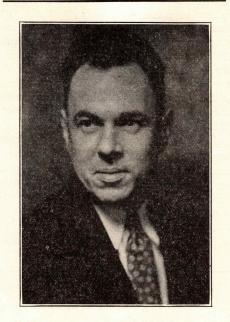

Rev. Fred E. McQueen, Dr. C. A. Hauser, Rev. E. A. G. Herman, Miss Marie Rose Remmel and Miss Rose Marie Kniker will constitute the Editorial Staff. This staff will be located in St. Louis, with the exception of Dr. Hauser, who will temporarily carry on his editorial work in Philadelphia, in connection with some other specific educational duties.

F. D. Wentzel Director of Youth Work

T. C. Braun
Director of Leadership Training

A. R. Keppel Executive Secretary

C. A. Hauser Editor of Church School Publications

F. E. McQueen
Editor of Church
School Publications

Through this united staff these 3 Boards will not only offer the same regular services which they have formerly extended separately, but they will be able unitedly to enlarge their service and to make it more efficient and effective.

In the editorial work, considerable progress has been made in the direction of merging the Church School periodicals. Many of the proposed new publications will be changed in size, appearance and content, utilizing as far as possible what the experiences of recent years has taught. Several new periodicals will be added. The date of issuing these merged publications depends now upon the solution of the problem with regard to Central Publishing House.

The program of Young People's work for the new Church is well under way, and will lay broad lines to be followed for the other age-group departments. As soon as possible Children's Work and Adult Work will be organized in the same way. Each age group department will eventually have a director on a full time service basis. In each

case associated with the age group director, there will be a corresponding age group cabinet, chosen from our lay leadership and representative of the entire denomination.

Other functions, such as field promotion, visual education, library service, Vacation and Weekday Church School Work, and special rural church problems, will be assigned to the directors of the various departments best adapted to render such specialized service.

A great National Conference for our Church has been planned for 1937 and is to be held June 28 to July 1, at Lakeside, Ohio, a beautiful spot on Lake Erie. The theme of this Conference will be: "A New Church for a New World." Dr. Nevin C. Harner is chairman and Mr. A. R. Keppel, secretary of the General Committee. It is our hope that every congregation may have one or more delegates at this inspirational gathering.

The Board of Christian Education reports a fairly good year in its Department of Business and Real Estate, and is grateful for the patronage of many friends in its Book, Church Supplies and Publication Departments. The 13-story Schaff Building is over 84% occupied, and in spite of decreased rentals, the Board has been able to keep this fine edifice in first-class repair and to pay taxes and interest in full. For its first half year, The Messenger, our merged weekly Church paper, has averaged 22,300 copies per week, an excellent beginning for this adventure of faith.

Dr. Paul S. Leinbach, who has stepped into the breach twice to serve as Executive Secretary of the Board of Christian Education, is deserving of special commendation from the Church for the excellent services he has rendered at a hard post. Mr. A. R. Keppel the newly elected Secretary of the merged work has the confidence of the entire Church and under his unusual leadership the great work lying before the Board of Christian Education will be carried forward with still greater success than in the past.

A. G. Wehrli, Chairman,
Board of Religious Education,
Paul S. Leinbach, Chairman,
Board of Christian Education,

Evangelical League Board.

#### MINISTERIAL PENSIONS AND RELIEF

THE BOARD OF PENSION AND RELIEF—"E" GROUP

When the Ministerial Pension and Relief system of the Evangelical Synod was reorganized, more than 20 years ago, the present Board assumed some \$6,000 in assets from the old "Invalidenkasse,"

The Rev. John Nollau, Waterloo, Ill. Ordained in 1874.

and the care of approximately 68 pastors and 82 widows and children as liabilities. A definite scale of premium was established, the Synod continued its support through gifts and contributions, and the establishment of a permanent endowment fund was begun. The \$6,000 have grown into the sum of total assets today of \$947,917, including an endowment fund of \$883,564. The liabili-

ties of the Fund have grown also, so that in 1935 the Board took care of 143 pastors, 264 widows, and 19 children, besides 16 special cases of relief, a total of 442 persons, to whom were paid various sums according to years of membership in the Fund, with a grand total of \$107,108.94 for the year of 1935. In the 25 years of the Board's existence the payments to recipients have been raised \$100 per year, an increase of 100% over that paid in 1910. Today we are paying a minimum of \$200 per year and a maximum of \$350 per year to pastors un-

able to continue in the active ministry, and 80% of these amounts to pastors' widows.

The present membership of the Fund is 987 members, including those who are drawing pensions, or an active paying membership of 884, consisting of pastors, missionaries, commissioned workers and women missionaries. Since the General Conference of 1933 commissioned workers are no longer eligible for membership. We note with pleasure that the constitution of the united Church makes membership in the Fund obligatory upon all pastors.

We are justly proud of our pastors' Homes, two groups of private, individual cottages, and Bensenville, Ill. (4 individual cottages and one duplex), a suburb of Chicago, and Blue Springs, Mo., (12 individual and one duplex) a suburb of Kansas City, Mo. At the latter Home two new cottages were built during the past summer. These cottages are offered free of rent and upkeep to retired or incapacitated pastors who apply for them. Three of these cottages are memorials erected by individuals or organizations (one by the Evangelical Women's Union). During the past few years this organization has taken a very live interest in the work of our Board, and our good women deserve a special word of commendation and thanks for the splendid help they have given us.

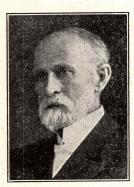

The task of merging the Ministerial Pension and Relief work of the "R" and "E" groups involves many financial considerations, and progress is necessarily slow. At present each group has a reputable actuary at work on calculations, the

result of which we hope will make possible the union of both funds as the basis for the establishment of an adequate fund for the united Church.

Silas P. Bittner, Chairman.

#### MINISTERIAL RELIEF-"R" GROUP

Ministerial Relief is not charity. It is simple justice. It is a just payment for services rendered. It is a first claim upon the Christian Church. Our veteran ministers served well. They sacrificed

The Rev. Zwingli A. Yearick, D.D., Bethlehem, Pa., aged 91.

much. They now are disabled or aged. They are worthy of any care our Church can bestow upon them. The one great purpose of Ministerial Relief is to care lovingly and adequately for our aged ministers, our disabled ministers, our widows of ministers and our orphan children of ministers.

The General Synod at its meeting in June, 1936, took this action:

"The General Synod believes and recommends that our Church should endeavor to provide Ministerial Pensions and Relief for our aged and disabled ministers and the widows of our ministers as follows: \$1,000 a year for an aged or disabled minister and his wife; \$700 for an aged or disabled minister; and \$600 for a widow of a minister. The Church also should provide adequately for the orphans of our ministers."

The Relief Department of the Board is supported mainly by the apportionment received from our congregations. Upon application grants are made by the Board from this department to our aged and disabled ministers and their widows. Each grant is based upon need, age, health, and dependents, and therefore it is true relief. To a total of 253 Relief annuitants we could give \$46,460.05 during 1935, which is an average of \$183. This average should be \$500, because it is needed.

Our Sustentation Fund was established by the Reformed Church in 1917. The membership consists of ordained ministers, licensed ministers, and lay missionaries. The dues range from \$17.13 at 21 to \$93.69 at 60. No member pays dues after he is 70 years old or disabled. He then receives his benefits. During 1935 our Sustentation Fund paid \$18,096.47 to 86 ministers, \$8,778.55 to 90 widows of ministers, and \$237.00 to 5 orphans of ministers. These are 50% benefits. They should be increased to at least 100% by our Church members. Since the organization of our Sustentation Fund, 1,090 members have been enrolled, of whom 131 have died, 32 are disabled, and 54 are 70 year beneficiaries. There were 724 active paying members on July 1, 1936.

The total number of ministers and widows of ministers helped by the Board in the Relief Department to the close of 1935 was 575, to whom the Board gave \$846,211.30. The total number helped by the Sustentation Fund was 223, to whom the Board gave \$119,561.19. The total number helped in both departments was 798, to the extent of \$965,772.49.

The finances of the Board are very satisfactory. We never spend more than we receive. Therefore we have no debts. Our investments are good. None are in default. We could sell all of our investments for considerably more than was paid for them. The profit on our bonds more than pays our overhead expenses. We pay all of our annuities in advance and we meet all of our financial obligations promptly.

Nothing is sadder in this life than to be so aged or disabled as never to be able to earn anything, and at the same time not to have the means of support for oneself and one's dependents. There are a number of our younger ministers and most of our aged ministers and widows of ministers, who have not the means to support themselves. These are they that our Church is helping. We, therefore, appeal to you, who are the brothers of our ministers and their widows, to help to care for them lovingly and adequately. "Cast me not off in the time of old age; forsake me not when my strength faileth."

J. W. Meminger, Secretary.

#### WOMAN'S MISSIONARY SOCIETY

It was in the recovery period following the Civil War that the first denominational Woman's Missionary Societies were started. American merchants were rebuilding their trade at home and abroad, but Christian American women were interested in the peoples with whom they traded. They were eager to know more about the peoples of the world in order that they might pray more intelligently.

From 1868 to 1878 societies were organized in all of the major denominations. Our own denominational society began in the latter part of this decade, in Xenia, Ohio, in February, 1877. This was two years before our first missionary was sent to Japan, and nine years before the first women missionaries were commissioned. In the 10 years following, enough societies were organized to form the Woman's Missionary Society of General Synod in Akron, Ohio, June 2, 1887. This is our Jubilee year and every Society will be celebrating on June 2, 1937!

Today the daughters and granddaughters of these praying mothers are carrying on. Their educational methods have improved with the years but the fundamental purpose still holds true. These daughters know that "you cannot do more than pray until you have prayed."

Missionary education is carried on by mission study classes, using the books prepared by the interdenominational agencies. This year a book on our denominational work, "The End of the Beginning," by Dr. A. V. Casselman will be studied.

Church Schools of Missions are sponsored by the W. M. S. with classes for all age groups.

Monthly programs covering all the activities of the church at large are prepared by the Educational Commission and have a wide use. Whenever feasible the same topics are used by the Evangelical Women's Union and the W. M. S.

The Reading Course has been a popular and effective method of education. New lists are published each year and the Course lasts for three years. One, two or three units are credited for each book read and an attractive certificate is awarded for fifty units of reading, with seals for each additional twenty-five points. In the last triennium 4,934 certificates were awarded and 6,527 seals

The power of united prayer is obtained by the use of the Prayer Calendar. These have been issued annually for 22 years and have suggestions for prayer and a prayer for each month. Each society, as well as individual members, pray for the same things, even praying the same prayer.

After learning about the needs of the field and praying for their relief, there is a desire to share with them, and last year the Treasurer received and disbursed \$113,582.27.

A recent letter from a missionary says: "Every effort must be made to establish many Christian homes in Japan. It is in these Christian homes that the future strength of the Christian cause lies. What a wonderful opportunity the women missionaries have." There will always be a place for women missionaries and their supporters, the Woman's Missionary Society.

The husband of an alert W. M. S. member once said, "Every family ought to have some member in the Woman's Missionary Society. They come home from the meeting and tell the rest of the family, and the whole church profits by the information." If you are not a member of a W. M. S. will you not join us in our Kingdom work?

#### EVANGELICAL WOMEN'S UNION

In spite of handicaps the women's work advances. With practically no budget support, and the constantly decreasing dues, but with economical planning the Women's Union continues to press on.

Educationally, the Monthly Program is coming into general use, approximately three-fourths of the societies have adopted it. The Reading Course and special short-termed classes on Mission Study, Parent Training and Christian Citizenship, together with reading packets on Stewardship, Citizenship and Missions, offer opportunities for self improvement to every individual member. In city Federations an increasing interest is focused on one day institutes for Bible study or for missions. The Women's Union welcomes the United

Adult Movement born at Lake Geneva, Wisconsin, in the summer of 1936, and is ready to make a real contribution to its advance.

The increased interest in the World Day of Prayer and the Evangelical and Reformed Day of Prayer for Missions on Ascension Day, the Lenten Quiet Hour, retreats, and the Prayer Circle are evidences of united spiritual advance. The wider use of "Prayers for Women," the "Daily Talks with God" and the earnest promotion of the Church Paper campaign are the witnesses of a continued development in personal religious life.

Through the connection with the Council of Women for Home Missions the Union becomes active in the occupation of neglected fields of service, the new Americans, the Indian, the Migrants, etc. It shares the responsibilities of the Councils in promoting International Relations, World Peace, proper Legislations, Race Relations, Mission Schools and Conferences, the World Day of Prayer, etc. International avenues of activity are opened to the Women's Union through its affiliations with the Woman's Committee of the

Foreign Missions Conference. The program of the Women's Union therefore is world wide, as well as centered around problems of life in America.

Financially, steady advancements are noted. Through dues, Thank-offering, Day of Prayer, Student Aid and Sustaining Membership the local groups have contributed \$15,784.28, and for special projects of Federations and District Unions, \$14,986. In the local church heavy responsibilities aggregating \$159,932.84 or an increase of \$31,000.00 in a year, are placed on the local society. To missions and the Synod the societies have contributed \$14,849.84, and to Benevolent Institutions \$12,634.67. This represents a total financial strength of \$217,287.81, and an increase of almost \$50,000 in a year.

The Women's Union is celebrating its 15th anniversary and has set a series of Goals for Achievement in each department of work. The earnest efforts made to reach these will bear fruitage in continued steady advance.

Elsa Reichenbach,

Assistant Executive Secretary.

#### THE CHURCHMEN'S BROTHERHOOD

Men's work looms prominently and will be promoted with vigor in our united Church. From henceforth the Men's work of our Evangelical and Reformed Church will be known by the name of Churchmen's Brotherhood.

This union of the Reformed Churchmen's League and the Evangelical Brotherhood was decided upon by both Brotherhood and League Boards, approved by the General Synod in June, 1936, and consummated at the National Convention held at Buffalo, N. Y., August 18-20, 1936.

Through this union the men's work of our Church is not only unified but materially strengthened, for already about 30,000 of the 200,000 men of our united Church are linked up in the Churchmen's Brotherhood and are planning and promoting their work together.

The work is organized under the Constitution and By-Laws of the Evangelical and Reformed Church as the official men's organization, and is amenable to it.

Individual chapters or brotherhoods are formed in the local Churches, of which any male person

above the age of 16 years, who approves of the purpose and is willing to cooperate, may become a member. Five or more local chapters or brotherhoods may form a local Federation, having the same purpose and powers as individual chapters. Ten or more chapters within the boundary of a Synod may form a Federation to be known as a Synodical Federation, which becomes a member of the Churchmen's Brotherhood. Each chapter and federation elects its own officers.

The National Organization is administered by a Board of Directors consisting of 11 members, 8 laymen and 3 pastors. Executive Secretaries are elected by the Board of Directors.

For the present the work is performed by the following departments and such others as shall be deemed desirable from time to time: Devotional Life Department, Christian Stewardship, Missionary Education (World Friendship), Social Service (Christian Social Action) and Denominational Loyalty Department.

The purpose of the Churchmen's Brotherhood shall be the enlistment and coordination of the

man-power in Evangelical and Reformed Churches for the cultivation of the Christian life through study, prayer, fellowship and service, and for the support and success of the whole program of the Church in the local congregation, the community, the denomination, and the world at large.

This is a large and comprehensive program and should appeal strongly to all loyal men of the Church, in a day when Christian men should come to the front and assume that leadership and responsibility to which they have been called by their Lord and Master and by the Church, in order to make effective the principles and redemptive and regulative purposes of the Kingdom of God.

It is hoped that during the years ahead the 600 chapters, now organized, will be materially augmented through new chapters, through the addition of Men's Clubs, Men's Bible Classes and kindred Men's organizations. Within a few years, we sincerely hope there may be established in every one of the 3,000 Churches a chapter of the Churchmen's Brotherhood and the men from the East and the West, the North and the South, within our constituency of a million members, may be in organic relationship and go forward unitedly and with a determination to do the will and work of God under the direction of His Spirit and in accord

with the plans and program of the General Synod of our Evangelical and Reformed Church.

It is a matter of rejoicing and quite meaningful that the Men's organizations were the first to unite and to put upon our work the stamp of Christian resolve and manliness. We are persuaded that the Church can rise no higher than its men, and for that reason we challenge all the men in our united Church to be strong, steadfast and true, and to join us heartily and aggressively. in company with all other organizations in the Church, to do our important work in the name and in the spirit of Christ.

The officers of the new organization are as follows: President, Mr. W. H. Witthaus, St. Louis, Mo.; Vice-president, Mr. E. S. Fretz, Collegeville, Pa.; Secretary, Mr. F. W. Bickson, Buffalo, N. Y.; Treasurer, Mr. H. W. Schultheis, Baltimore, Md., and the Executive Secretaries.

Two offices are maintained. One in St. Louis, Evangelical Synod Building, 1720 Chouteau Ave., with the Rev. H. L. Streich as Executive Secretary, and one in Schaff Building, 1505 Race Street, Philadelphia, with Dr. John M. G. Darms as Executive Secretary.

SIGNED:

H. L. Streich, J. M. G. Darms.

### Just a Word About ....

# The senger

of the Evangelical and Reformed Church

No other agency or institution of the Evangelical and Reformed Church keeps before the united constituency so constantly and effectively as does The Messenger the thought that the two groups representing what was the Reformed Church in the United States and the Evangelical Synod of North America have now become a great, strong, united Church body. All institutions and agencies of the united Church are doing all they possibly can do to consolidate their various activities and ministrations in the interests of a larger, worldwide Kingdom service, but every week readers of The Messenger are reminded of the unity of the Spirit in the bond of peace which has gathered into one great Christian fellowship the 750,000 communicants in 39 of the 48 states of the Union, working at a common task in the service of their common Lord.

"The united Church paper," says President Richards, "is the Church's way of sharing with one another what the Spirit sayeth to the Churches, and what the Churches do in the Spirit. What the Church thinks, says, and does, is brought home to the people each week. They are brought into constant contact with the people of Japan, China, India, Mesopotamia, Honduras, and the Indians of North America; with the 284 home missions stations; with the nearly 3,000 congregations

in the United States; with the three theological seminaries, nine colleges, three academies; with the thirty philanthropic institutions—ten hospitals, ten orphans' homes, ten homes for the aged, two homes for the epileptics; with the four Boards; with the best thoughts of teachers and ministers; with the work of other Churches throughout the world; with books published from year to year; with the outstanding events and movements in the life of the nation."

The Messenger helps the pastor accomplish what he could never do alone, and brings to all readers constant inspiration and timely information concerning what the Church stands for, what it does, and what it ought to be doing. It is indispensable to every family and to every member that really wants to do its level best for the cause of the Kingdom. And for that reason it deserves a place in every home.

The Messenger costs only \$2.00 per year, less than five cents a week. Your pastor will be glad to take care of your subscription. Or you can remit directly to

# The German Protestant Home for Orphans and Old People

West Grand Boulevard

Detroit, Michigan

Our orphans' and old people's home is situated in one of the most beautiful sections of Detroit. We cordially welcome Evangelical people who may come to Detroit to visit our institution. A Grand River car to West Grand Boulevard will bring them right to the home.

The home is under control of the Michigan and Ohio Districts of our Evangelical Synod and is dependent upon friends within our Church for its support.

Our Home is able to accommodate 125 children and 50 old people. To meet our daily requirements is quite a problem at this time of social misery as the conduct of our institution is dependent more than ever before upon the generosity of our friends in the Synod.

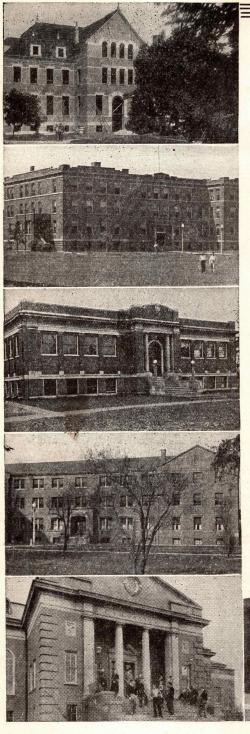

We cordially solicit your interest and express our gratitude to the many friends who have heretofore supported us.

Bequests must be made in favor of "German Protestant Home for Orphans and Old People, c/o Mr. Chas. Reibling, Treasurer, 1433 Bagley St., Detroit, Mich." Other contributions will be gratefully received by the superintendent, Rev. F. Lueckhoff, 1852 W. Grand Blvd., Detroit, Mich. Phone: Tyler 5-8800.

#### A MONUMENT TO 78 YEARS OF SERVICE

Our Home cares for children who because of the loss of one or both of their parents have been deprived of the care of their own home.

Proper housing, food, clothing, medical service, secular and Christian education, and other provisions for keeping our children physically, morally, and spiritually fit are provided. All of this service leads our boys and girls into happy, co-operative independent citizens, able to give to society, and to gain from it, as much real value as children reared in good private Christian homes.

Ninety percent of our monetary maintenance is charity. We therefore sincerely solicit your gifts and your bequests for our Home, which is NEEDY and worthy of the support of its friends.

"Bless now, our sons and daughters glorious,
Give of thy wealth and self to speed them on their way;
Pour out thy soul for them in prayer victorious,
And all thou spendest Jesus will repay."

#### BETHANY ORPHANS' HOME - Womelsdorf, Pa.

Aeroplane View of Bethany

During the 73 years of history of Bethany Orphans' Home, we have been gradually growing in the services we have been able to render to our Church. During the past year we cared for an average of 245 children.

children.

During the year 1935-36 we have adopted the plan of giving allowances to the children over the age of twelve in order to teach them how to handle money that they may call their own. The allowances are based on the weekly report of the merits of the children. We are endeavoring to have married couples in our buildings, thus bringing our boys in more constant touch with men. These two steps have enabled us to improve our means of handling discipline problems.

If we may judge from recent experience we have reason to believe that a turn in our financial situation has been made, and that our receipts will again increase instead of decrease, as has been the case for several years past. This has enabled us to install a more complete centralized heating system after the failure of our old plant last winter. There is much need for additional improvement. We feel that the increasing contributions of our Church will make this possible.

We are entirely dependent on voluntary contributions and legacies for our support.

HENRY E. GEBHARD, Superintendent.
